Artfelt Products and Workshops are Developmentally Appropriate

Our goal is to Make Learning FUN *through storytelling*. We strive to help children develop skills outlined in the *Preschool Learning Foundations* and help teachers achieve goals set forth in the *Common Core State Standards (CCSS)*

CCSS challenges us to "Promote literacy and help children use language effectively through multiple disciplines"

To do that we need to "actively engage in group reading activities with purpose and understanding"

while enhancing Math, Science and Social Skills

- ★ **Reading for Literature Core Standard 10** – "Actively engage in group reading activities with purpose and understanding".
- ★ **Reading for Literature Core Standards 1, 2, 3, 4, 5**, – "With prompting and support" - children will ask questions about details, retell stories, identify characters, ask about unknown words - Puppets and props ARE prompting and support!
- ★ **Visual & Performing Arts Core Standards** suggest that we model theatrical development: Using puppets, props and expressive storytelling, and letting the children do the same, provides that opportunity.
- ★ **Operations and Algebraic Thinking Core Standards 1,2,3**, - Represent addition and subtraction problems, solve addition and subtraction word problems and decompose "numbers USING OBJECTS, drawings, or mental images".

★ Introducing a new line of RIGID Felt animal pieces! ★ LOOKS LIKE THE FINGER PUPPET ★ TACTILE ★ STURDY ★ CHILD-FRIENDLY ★
